Find the day/time/counselor you'd like to see

Tip: Starfish will show only two days out. Click on the calendar future. Currently we are scheduling two weeks at a time in the Department.

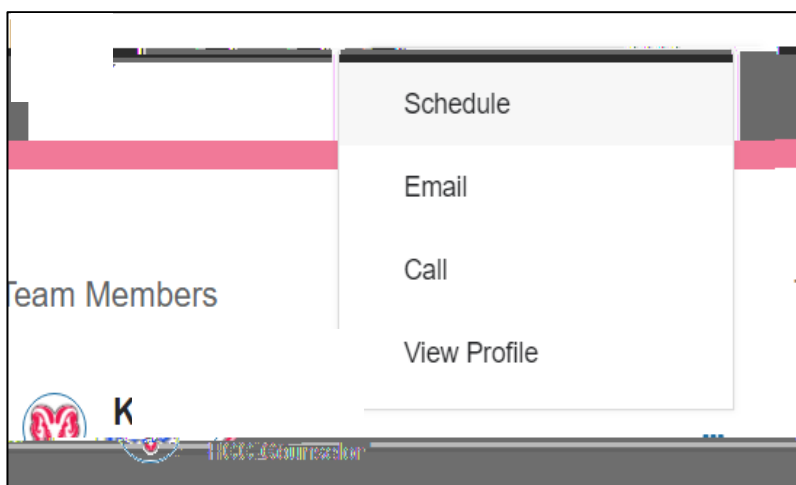

## Option Two: Schedule an appointment with a specific person

From your Success Network, under Your Connections, you will see if you have them. You will have primary counselors if you're part of a special program.

If you know who you're looking for and don't see them right away, use the search bar on top and search the counselor by name.

You can see a list of counselors in each service by clicking the blue title of the service. further instructions on attending your Zoom
